Go over the I-10 freeway tunnel - between 3rd street on the East and 5th Avenue on the West, Culver Street the North and Moreland on the South.

For more information on the Children's Memorial 5k Walk/Run, please contact Asena at 623.979.1000.

And much, much more!!

This Event Benefits:

The M.I.S.S. Foundation is a nonprofit, 501(c)3, international organization which provides immediate and ongoing support to grieving families, empowerment through community volunteerism opportunitied, public policy and legislative education, and programs to reduce infant and toddler death through research and education.

Water Watchers is a nonprofit 501(c)3 organization created to educate the community about water safety issues; to provide educational programs in water safety through curriculum development; to be a resource for the community; to promote awareness that tragedy kows no boundaries; and to honor the memory of Weston Letter.

This event was organized in memory of Mya Nicolosi. Mya Nicolosi touched many lives in her brief life. She continues to touch lives through the ongoing efforts of her mother, Asena, to educate others on drowning awareness and prevention and in supporting other parents who have experienced a child's death. Mya was two years old when she drowned in a backyard pool.

Please watch your children around water. Remember tht tragedy strikes in good, loving homes and to competent watchful parents. In the lapse of a moment, you'r life can chage forever...

And remember to cherish each and every moment with those you love.
